## Morgan Assigned To Gulfport SeaBee Unit

Constructionman Hucy W. Morgan, USN, son of Mr. and Mrs. Hucy C. Morgan of Route 2, Elba, Alabama, is in Gulfport, Mississippi, as a member of Mobile Construction Battalion 74.

The battalion is one of several famous World War II SeaBee battalions that have been reactivated to help meet the increased demands of military construction all over the world.

In preparation for Battalion 74's coming deployment to Southeast Asia the members have been undergoing professional and military training at Keesler Air Force Base, Biloxi, Mississippi, and the Marine Corps Base, Camp Lejeune, North Carolina.

## Linda Coon Awarded Enterprise Scholarship

The Elba Twentieth Century Study Club has announced that Miss Linda Coon has been selected as the recipient of their 1967-68 scholarship to Enterprise Junior College.

Miss Coon, daughter of Mr. and Mrs. S. W. Coon, Route 2, Elba, Alabama, is a senior at Elba High School, ranking in the upper 10% of her class scholastically. She is prominent in all phases of school activities, having been a member of the FFA, Library Club, E Club and Beta Club. In addition she is a cheerleader, Assistant Editor of the Elbala (school yearbook), Treasurer of the Senior Class and was a member of the cast of the Junior Play. She plans to study Pre-Business Administration at Enterprise Junior College.

Miss Coon was selected from among Senior Class applicants for the scholarship which covers tuition for three quarters, beginning with the fall quarter, 1967.

His promotion was based on his time in service and rate, military appearance, performance of duties, and his score on the Navy-wide test for promotion.

The Surlbacht is homeported in Norfolk, Virginia.

## Edward Gullion Promoted To Gunners Mate

Gunner's Mate Third Class Edward L. Gullion, Jr., son of Mr. and Mrs. Edward Lyle Gullion, Sr., of Elba, Alabama, was promoted to his present rank while a crewmember of the ammunition ship USS Surlbacht.

His promotion was based on his time in service and rate, military appearance, performance of duties, and his score on the Navy-wide test for promotion.

The Surlbacht is homeported in Norfolk, Virginia.

ATTEND PTA MEETING - pictured following the PTA meeting in the Elba High School auditorium Tuesday night are from left: Superintendent Elmer Taylor, Mr. Highland Elementary School in Opp and Mr. Fleetwood Carnley, president of the Elba PTA. Mr. St. John was the featured speaker of the evening.

The cutoff date for the deadline for applications for VA Guaranteed or Insured G. I. Home Loans program is July 25, 1967, the Veterans Administration said recently. That date is the absolute deadline for the absolute deadline is January 31, 1975.

Every month some people in this area sign up late for their medicare benefits, Harry N. Scott, social security district manager, said recently. Noting that May has been proclaimed Senior Citizens Month by the President, Mr. Scott urged Wiregrass residents who are approaching age 65 to celebrate by finding out as much as they can about the Federal health plan for older Americans.

A person should sign up for medical insurance two or three months before he reaches 65, if he wishes coverage of doctor bills to begin in the month he reaches 65, Mr. Scott said. If he waits until later, his doctor bill insurance may not begin until one to three months after he signs up, and if he waits more than three months after he reaches 65, he will not have another chance to sign up for a long time -- perhaps as much as two years.

The basic hospital insurance protection begins automatically with the month of the 65th birthday; however, an application must be filed at your social security office to establish entitlement before any payments can be made.

The Dothan social security office is located in the Federal Building, 100 West Troy Street. The phone number is 794-3161. Mr. Scott said that the office will also be open from 9:00 A.M. to 12:00 noon on Saturday for those who cannot come in during regular hours.

The Girl Scouts of the South Central Alabama Council are very happy about their 1967 Cookie Sale because much of the proceeds will be used to pay for a new campsite. The purchase includes 267 acres of beautiful woodland located five miles northeast of Elba. The site includes the highest point in Coffee County and nature trails laid by Mr. Kenneth Luke, forester of Opp. The land is ideal for picnics, day outings, nature walks and troop camping.

The Girl Scouts in the 16 county area which makes up the council are very eager to see and use the land they have purchased. The troops are presently participating in a contest to name the new campsite. Many troops and individual girls sold enough cookies to purchase one or more acres of land on the site.

There will be a Gospel Singing at the Basin Community Center on Saturday, May 6th, at 8 P.M. featuring The Crusaders. No admission will be charged and the public is cordially invited to attend.

The Alabama - Florida Boy Scout Council held its annual awards banquet in Enterprise last Friday night and T. K. Dorsey, past president of the Council was one of four adult scout leaders who were awarded the Silver Beaver award for outstanding contributions to the Boy Scouts of America. The only other Elba man to ever receive the award is Ellis Brazelton who was honored in 1957.

In the top photograph Dr. G. R. Smith, left, council president emeritus, is shown presenting the award to Dorsey while Mrs. Dorsey looks on.

The second photo show Mr. Dorsey presenting his wife with an orchid from the Boy Scouts recognizing the fact that no man can successfully work with the scouts without making sacrifices elsewhere nor without the cooperation of his wife.

The lower picture catches the four recipients of the award this year. They are from left, Charles Taylor, Dothan; Oscar Dunn, Oak Ridge; Dorsey, and Brooks Hayes, Blountstown. This is the first year that more than one Silver Award has been presented in a single year.

Dorsey was also recognized for the fine job he did during his year as president of the Council.

## Jus' Ramblin'

By  
LUCILE K.  
WOODHAM  
MRAE

I CAN guarantee that I did not know last week "my picture was being taken" on that tractor. If I had a knowed it I would have looked a lot better than I did. Mack did know about it and helped with the "plot" against me. But Merle, who had been mischievously tempted by the balance of the force at this newspaper plant unmercifully, said afterwards that she was never going to do anything like that again. She had spent a miserable day last Wednesday in her efforts to keep me from knowing it and then with concern as to how I was going to react about it, Ferrin was just as bad as anyone in telling her "We enjoyed it while you was here," meaning that it was suspected that she wouldn't be here after that issue of this newspaper went into the mail.

I'll admit I was enjoying that tractor but Gary has NOT lost his job. I'm only smart "some of the time". After the newspaper had been printed and was ready for the mail Mack came along and laid a copy of the picture in front of me. I could not believe my eyes for I thought I was smart enough not to be captured by a camera like that. I thought I knew all the "tricks" and "tricks" in getting pictures but I had discounted the smartness of a much younger person.

The picture was enough of a shock but finding it in both my newspapers was downright painful. And I had come so near catching them in their scheme several times during the day but not suspecting that it was the target of such doing I would forget that I had asked "what goes here?"

When I reminded them that they were having to get up an hour earlier, according to sun time they agreed.

But I use the clock time when it comes to getting started each morning with the excuse it is really only such and such

time. Occasionally I make it to bed early as it is. Now that we have daylight saving time it will look sorta funny when I go to bed at 8 o'clock which will be before dark now. Since that is so rare that is nothing to worry about.

But Daylight Saving Time has me real confused.

But I use the clock time when it comes to getting started each morning with the excuse it is really only such and such

new time, Tuesday afternoon they mentioned several times how happy they were with the new time because they were getting to play longer, but then mentioned "But mamma makes us go to bed at 9 o'clock and you know, grandmamma, that is really just 8 o'clock." When I reminded them that they were having to get up an hour earlier, according to sun time they agreed.

But I use the clock time when it comes to getting started each morning with the excuse it is really only such and such

## Attend The Church Of Your Choice Sunday

The  
**SUN**  
shines  
BRIGHT

But wherever it shines... there are shadows. Wherever there are golden opportunities there are also sombre tragedies. Some fail to grasp their blessings.

Ours is a nation which guarantees to every child the opportunity for religious training. Yet ours is a nation which smarts under the scourge of a moral disease - juvenile delinquency.

In blessing you with a son or daughter, God has entrusted to you a precious soul. You are required by law to give your child a secular education. But, despite the scourge of delinquency, a free nation must leave to your conscience the question of your child's moral and religious education.

God has blessed America. With a nearby Church ready and eager to provide Christian training for your child, and religious foundation for your family's life - The Sun shines bright. But there are shadows. You must decide!

THE CHURCH FOR ALL  
ALL FOR THE CHURCH

The Church is the greatest factor in the building of character and good citizenship. It is a stronghold and spiritual values. Without strong Church membership, no nation can survive. There are four round reasons why every person should attend services regularly and support the Church. Here are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

## Inmans Host Reception For Newly Weds

Mr. and Mrs. Louis F. Inman entertained at a reception on Saturday evening, April 29, at the Elba Country Club honoring Mr. and Mrs. Robert Inman of Montgomery.

Guests were greeted at the door by Mr. and Mrs. Robert Cooper who presented them to the receiving line composed of the hosts, Robert Inman and his bride, the former Paul-ette Strong, and her parents, Mr. and Mrs. Paul J. Strong, of Birmingham. Mrs. Fred Cramton, sister of the groom, and Mrs. Robert D. Cooper, grandmother of the groom, presided at the registry. The small table held a delicate arrangement of pink roses clustered around a white candle.

The refreshment table was covered with a white linen cloth and centered with a Bisque cupid holding aloft long stemmed pink sweetheart roses. A five branched silver candelabrum held burning white candles. Mrs. Bancroft Cooper presided over the silver coffee service placed at one end of the table while Mrs. Edwin Cooper served punch from a silver bowl encircled with

## Beef Improvement Group Marks Third Birthday

The Alabama Beef Cattle Improvement Association celebrated its third birthday recently and renewed its effort to improve the growth rate of the state's beef cattle by on-farm performance testing.

Thirty new members joined the association in 1966, bringing the total membership to 133 producers, reports Dr. Richard Deese, Extension animal husbandman.

A total of 4,270 calves of all breeds was weighed

and graded during the year, an increase of about 30 percent over 1965. The average 205-day weight for all calves processed in 1966 was 395 pounds and the average conformation score was high-good.

"This is considerably below what Alabama cattlemen should be achieving," states Deese. "Producers should give close attention to individual records of performance in selecting replacements for the herd and in culling poor producing cows."

### YOUNG PEOPLE

Farm Bureau young people under the direction of Bill Dismukes are making plans for the annual Queen Contest and Talent Contest. I know of several young ladies planning to enter and according to Bill, four New Brockton girls have already entered the Queen Contest which will be held later in the summer. These are Kay Brew-

### SWINE AND CATTLE

#### OUT-LOOK

Hog prices should start moving up now until August. Some of the top forecasters are predicting at least 24¢ in prices on some days and with quality hogs going past 24¢. Some of the forecasters are expecting hog prices in 1968 to average one to two dollars less than in 1967. Keep in mind that if corn and soybean prices drop some this fall, we can expect an increase in swine production in 1968. Beef prices should dip below 1966 this fall resulting in some price increase. However, a sharp improvement in prices appears to be nowhere in sight. In Coffee County we are mainly concerned with cow and

calf operations. Profits are tiny in closely with selling heavy, high quality calves at weaning.

## FARM NEWS

By Tom Casaday, County Extension Chairman

### GARDENER'S GUIDE

We have just received several copies of a Gardener's Guide prepared by two of our specialists at Auburn. It is a big chart that can be placed on the wall and points out jobs that need to be done each month on gardens, lawns, roses, bulbs, annuals, perennials, vegetable plants and miscellaneous plants.

These can be mailed, but they would look better if they were not folded. We have them in our Enterprise and Elba offices and we will be glad to give you one of these charts.

### CAMPING OPPORTUNITIES

Camping is one of the fastest growing forms of out-door recreation today. Camping records will be broken in Alabama in 1967. There is an increased interest from landowners wanting to develop public camping areas. I would like to encourage those landowners who have the right combinations of location, natural features, and ability to deal tactfully with the public. Of course, there is competition in this business. The season is short; profits are slim; and those people who are interested in establishing camping areas for the public, if you are interested get in touch with us and we will put you in touch with our specialist in recreation.

## More Farm Workers Now Under Minimum Wage Law

### SPEAKING CONTEST

Fifty-five 4-H Club boys and girls entered the Speaking Contest. After the school eliminations, approximately twenty finalists participated in the Speaking Contest Monday in the large lecture room at the Enterprise State Junior College. This contest is sponsored by the cooperatives in the county including the Federal Land Bank Association of Enterprise, the Ozark Production Credit Association of Ozark, Covington Electric Cooperatives of Andalusia, and South Alabama Electric Cooperatives of Troy.

### CORN DEMONSTRATIONS

Five Coffee County farmers are conducting what we call maximum yield corn demonstrations. These men are trying for top yields of corn. They are also in the 100 Bushel Corn Contest, but they hope to go a step further and see how much they can make on a ten-acre field. Those conducting these demonstrations are A. W. Wilson of New Hope, L. B. McCall of Goodman, Roy Sims of Route One, Enterprise, Leon Weeks of Route One, Kinston, and Alito Carr of Route 2, Enterprise.

### What a wonderful opportunity our young people have to get this experience in speaking. Four-H is interested in the development of the head, hands, heart and health. Certainly this activity is worthwhile.

According to official U.S. government figures, a ripe olive contains only about 7 calories.

### Workers employed by farmers not using more than 500 man-days of farm labor in any quarter of the preceding calendar year are not affected by this act.

Also, members of the employer's immediate family and hand harvest workers customarily paid on a piece-rate basis do not have to be paid the minimum wage, even though other workers on the same

### farm are covered.

Migrant hand harvest workers 16 years old or under who are employed on the same farm as their parents are exempt if they are paid on a generally recognized piece-rate basis and the piece rate is the same as that paid to workers over 16 years of age.

### Worth protecting!

Since fish fine and tails have a tendency to cut freezer paper, I'd like to suggest the following use of freezer paper: Place fish in a baking pan and pour ice water over them, being sure the water covers the fish. Cover the pan and place it in the coldest part of the freezer until the water freezes.

Then remove the block of fish from the pan, wrap in moisture-vapor proof freezer packaging material and return to the freezer.

Instant flour is processed with steam or hot water after regular milling. This makes tiny granules stick together as appetite from wood.

Actually, termite swarming is more of a mating call than an exercise in aeronautics. Despite their graceful wings, termites are weak fliers. Only those driven by wind gusts manage to maneuver over a few hundred feet.

STATE PARLIAMENTARIAN

The following names were submitted by the respective clubs to the Coffee County Council of Extension Homemakers. From these names, one will be selected as nominee from our county for State Parliamentarian.

The names include: Mrs. Julius Allen, Victoria; Mrs. Ed Donaldson, Mt. Gilead; Mrs. Caslock, Kelly; Mrs. R. B. Byrd, Cary Ground; Mrs. Little Mae Warren, Wilkes; Mrs. John Asher, Bonnie Taylor; Mrs. Lester Guncy, Calvary; Mrs. James

Worth protecting!

Since fish fine and tails have a tendency to cut freezer paper, I'd like to suggest the following use of freezer paper: Place fish in a baking pan and pour ice water over them, being sure the water covers the fish. Cover the pan and place it in the coldest part of the freezer until the water freezes.

Then remove the block of fish from the pan, wrap in moisture-vapor proof freezer packaging material and return to the freezer.

Instant flour is processed with steam or hot water after regular milling. This makes tiny granules stick together as appetite from wood.

Actually, termite swarming is more of a mating call than an exercise in aeronautics. Despite their graceful wings, termites are weak fliers. Only those driven by wind gusts manage to maneuver over a few hundred feet.

STATE PARLIAMENTARIAN

The following names were submitted by the respective clubs to the Coffee County Council of Extension Homemakers. From these names, one will be selected as nominee from our county for State Parliamentarian.

The names include: Mrs. Julius Allen, Victoria; Mrs. Ed Donaldson, Mt. Gilead; Mrs. Caslock, Kelly; Mrs. R. B. Byrd, Cary Ground; Mrs. Little Mae Warren, Wilkes; Mrs. John Asher, Bonnie Taylor; Mrs. Lester Guncy, Calvary; Mrs. James

Good quality, heavy plastic isn't easily damaged by heat. Even so, if Mrs. John Asher, Bonnie Taylor; Mrs. Lester Guncy, Calvary; Mrs. James

Spices suffer when exposed to air, heat and light. If stored properly, the rich colors, tasty flavors and rich aromas will remain.

VOLUME 69

ELBA, ALABAMA 36323, THURSDAY, MAY 11, 1967

NUMBER 42

MAYOR JUG BROWN, left, delivers one of the proposals to the Commissioners. Shown facing the camera are Judge English and Mrs. Nadine Fuller, clerk of court.

## Enterprise Citizens Ask For More Road Money

A large group of Enterprise citizens met with the County Commissioners on Monday to air their dissatisfaction with the way the gasoline tax allocated to Coffee County is distributed to the respective districts.

The present plan calls for each of the four districts to get one fourth of the money for road maintenance and construction. This plan has been in force "always" according to Probate Judge J. O. English, Enterprise Mayor.

Mayor Brown presented three ways his group thought the redistribution could be arranged, including restricting and re-apportionment.

Brown, urging the commissioners to act soon on this matter, explained that in his belief the road money should be allocated on the basis of need and population. As an alternate, he suggested that legislation could realign the district with one incorporated city in each district.

The group of 75 or 80 citizens stated that they would be back at the May 22 meeting to see if the commissioners have come up with an answer.

The group was made up of Enterprise citizens therefore the straw vote taken by Judge

## Time To Improve Mail Boxes

Have you really taken a good look at your mail box lately? Does it look really good and add to the attractiveness of your home? Is your name on the box in neat letters? Is it mechanically in good shape?

The Post Office Department has designated the week of May 15-20 as Mail Box Improvement Week. The purpose of Mail Box Improvement Week is to call attention to the need for providing mail receptacles which are designed to protect the mail from the weather, and which are neat in appearance, conveniently located, and safe to use.

Neat, attractive mail boxes will make a significant contribution to President Johnson's natural beauty program.

So take a good look at your box and if it needs painting, new post, new flag, or if your name is not on the box neatly take it as your project for the week of May 15-20 to fix it up.

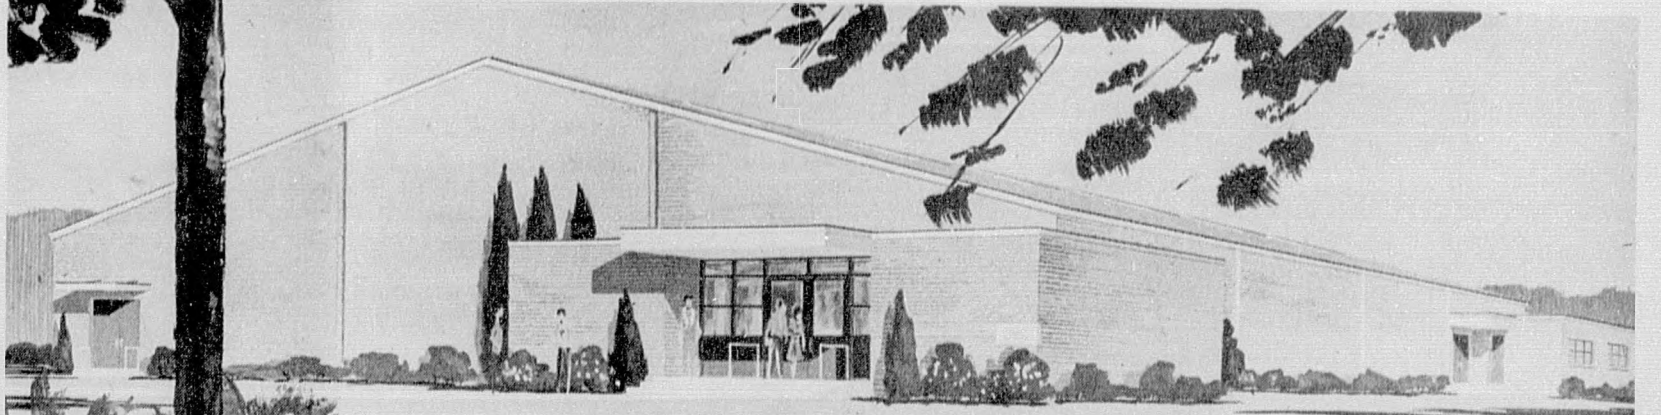

You and your carrier both will be proud of it. For any information on correct methods, your carrier or postmaster will be only too glad to help you.

## Taylor Answers HEW Questions

Mr. Elmer Taylor, Elba City School Superintendent, and School Board Attorney Fleetwood Canley, will fly to Washington D. C. on Friday to a hearing before the Health, Education and Welfare Department.

The hearing is for the school officials to present their answers to 49 guidelines set up by the HEW concerning school desegregation.

Hearing examiner is Frank P. Salantini.

OPEN HOUSE AT MULBERRY HEIGHTS GYMNASIUM, The Elba City School, that an open house will be held in the beautiful new gym on Sunday afternoon, May 14th. The hours are from three until five Sunday afternoon.

## Carpenter Is Awarded Summer Scholarship

Sam Carpenter, math and science teacher at Kingston High School, has been awarded a summer quarter scholarship by the George Peabody College for Teachers, Nashville, Tennessee.

The scholarship received is sponsored by the National Science Foundation.

Carpenter has previously received similar scholarships from Auburn University and the University of Alabama.

He received his B. S. degree in math, M. S. degree in school administration from Troy State College and completed a sixth year of college work at Auburn University, which enabled him to receive a class AA teaching certificate.

This is the first year he has worked in the Coffee County System since he returned from the Marion County School System, Buena Vista, Georgia.

Mrs. Carpenter and their two children, LaVaughn and Connie, plan to accompany him to Nashville.

## County 4-H Leaders To Be Honored

Coffee County's adult 4-H leaders will be honored Tuesday night, May 16, in the Banquet Room of the Enterprise State Junior College. Approximately 40 leaders will be recognized. Officials planning to attend in addition to the leaders are members of the Coffee County Board of Education, the County Governing Body, and the President of the County Extension Council.

The dinner meeting is an annual event held to recognize the county's volunteer 4-H leaders in the schools who help make 4-H club work successful. The event is sponsored each year by Dorsey Trailers, of Elba. Veteran leaders who have served for periods of 10, 15, 20, 25, and 30 years will receive special recognition for their years of faithful work.

Oscar Strickland, Auburn University's Program Specialist, will speak on "Adult Leadership in 4-H Club".

## Band Concert Planned For Friday Night

The Elba High School Band under the direction of Mr. Willis Brown will present the annual Spring Concert Friday, May 12, at 7:30 P.M. in the high school auditorium. The Elementary, Junior, and Senior Bands will furnish enjoyable listening for the evening. Selections to be performed include "High Lights From West Side Story", "Bugler's Holiday", "The Blue and the Gray (Overture)", "Pavane on Lady of Spain", several marches, and Concert Friday, May 12, music performed at the state contest.

The John Philip Sousa Award will be given to a graduating senior band member. The candidates for this award are Miss Tina Anderson, Miss Kay Johnson, and Miss Charlotte McCall.

## BBB Cautions Ft. Rucker To Observe Armed Forces Day

Fly-by-night contractors are getting ready for their annual fleeing of unwary homeowners who are in the market for new or resurfaced asphalt driveways according to Kenneth B. Wilson, president of the National Better Business Bureau.

He suggests that homeowners planning a driveway for a newly-built home or seeking to resurface an old driveway, investigate to avoid being victimized by unethical contractors.

Past reports to the National BBB indicate that thousands of homeowners have been victimized each spring by contractors who offer quick, on-the-spot bargain jobs, use inferior materials and equipment or simply take a big deposit from the homeowner and disappear.

Naturally, most paving contractors are reputable businessmen, but just as in any other field, the buyer who doesn't take the trouble to get the facts can wind up with big trouble, asserts Mr. Wilson.

Following the public show the public will be invited to inspect the aircraft and talk to the flight crews participating in the show.

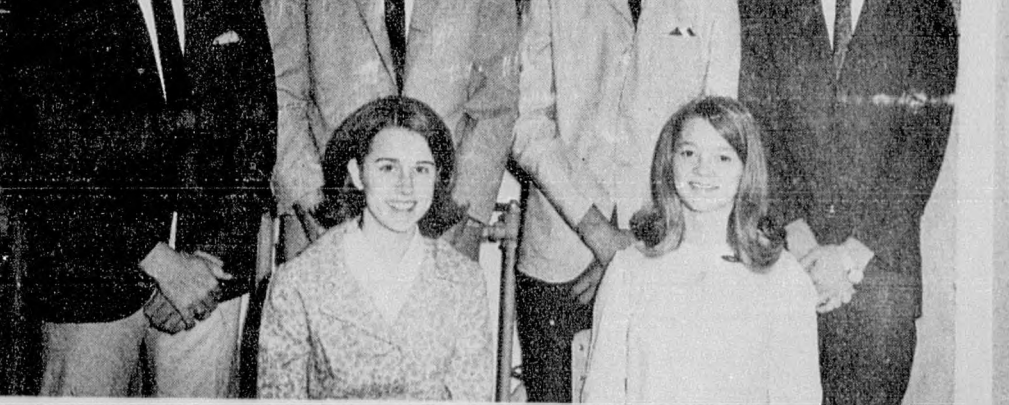

## New Mail Dispatch

Postmaster Robert Cooper announced this week that a new dispatch of mail to Montgomery has been inaugurated. All North bound mail deposited before noon will be dispatched in this dispatch. It will be available every day except Sunday.

THE STUDENTS OF Elba High School held election for Student Council officers last week. The campaign started on Monday, May 1 and campaign speeches were made on Wednesday May 3 at which time elections were held.

Elected for the coming year were President, David Stokes; vice-president, Tommy Dewberry; Secretary, Suzanne Prior; treasurer, Lee Boyd; reporter, Brice Paul; and parliamentarian, Eron Holloway.

OUTGOING OFFICERS OF THE Elba High School Council are: President, Glenn Bedsole; vice-president, Steve Bragg; reporter, Tommy Dewberry; treasurer, Jerry Nelson; secretary, Suzanne Prior; parliamentarian, Carol Vaughan.

BOYS' STATE WINNERS, Culver Post 42 Commander, Maxwell Reeves, left, is shown with the four boys chosen to attend the 1967 Boys' State this year. They are from left with Reeves: Lee Boyd III, Ed Wise, David Inman and Johnny Foreman. There were eight boys who made speeches before the local Legion and Ladies Auxiliary and these four were selected to attend.

GIRLS' STATE CONTESTANTS - These three girls, pictured with Mrs. Maxwell Reeves, right, spoke to the American Legion and Ladies Auxiliary last Thursday night and each girl told why she thought it would be a benefit for her to attend Girls' State. Only one girl from each school can attend and Miss Pam Vaughan was selected for the honor.
